Foundation for the benefit of children and young people living in poverty

March 2012

News from the "Lebenshilfe Foundation"

Our unique characteristic is still valid in 2012!

Every Euro is passed on 100% to the needy.

Due to the personal contributions of our family members we can manage all the work alone.

Our homepage www.rmk-stiftung.de is now available in English!

Germany

The provision for needy children continues to remain the centre of attention.

In the "Rems-Murr" district we work closely together with the "Tafelladen" (a non-profit organisation which collects donated food and goods and distributes them to the needy).

We were able to provide clothing or furniture for 55 children.

Hans-Martin Haist and his team look after more than 100 children at the children and youth workshop, EIGENSINN, in **Freudenstadt**. Every fifth child in Germany grows up in a family with addiction problems.

This project continues to be supported by our foundation with the help of Professor Klaus Fischer

Albania

Amaro Tan School- 142 children from needy families

We could once more donate some money to cover dental care costs of all the children. The pupils bring their toothbrushes with them to school.

We have received a letter of thanks.

Kenya

With the help of the missionary Martin Lütjohann, we support children and young people.

A further donation was made to support the **schooling** and **hunger alleviation** on the children's hospital wards.

Uganda

We support the **nutrition unit** of the mission hospital in Lira. In addition to other food, the children receive porridge.

We have been offered the recipe for this! If you're interested in getting it, please contact us.

New: Mozambique

We have become acquainted with the missionaries Magda and Thilo Kierner and their work.

Every 6th child in Mozambique is an orphan.

We support this part of their work and provide direct orphan aid..

Children continue to need your support!
