

Let us not become weary

in doing good. (Galatians 6 v 9)

Foundation for the benefit of children and young people living in poverty

Year in Review December 2012

Germany

In the district of **Rems-Murr**, we assist more than **70 children** via the "Tafelladen" Winnenden. The support is multi-faceted and is targeted towards the needs of the individuals. Winter clothing, beds, bed linen and children's furniture, carpets and shoes are just examples of those things which are given to the children.

In **Freudenstadt** we have continued to support the youth workshop „Eigensinn“. The pre-school children come from chaotic backgrounds and experience love, attention and encouragement

Rudersberg, „Hoffnung“ – „Hope“ charity. From here, the transportation of goods for Christmas was sent on its way, directly to Romania.

We supported this project which distributes gifts in kindergartens. The gleaming eyes of happy children showed us how important this mission is.

Child emergency relief: Philippines

Our call for support was successful in September 2012. We were able to provide the missionary, Carsten Aust, with the missing 12,500€. The building has now been completed and will be the "**House of Hope**". Before operations can begin, an exterior kitchen and outside facilities with fencing are needed. These should be completed by spring 2013.

The two images illustrate the situation: Without help, the children have nothing except the bare life (left), by work of the house of hope the kids a future (right).

In the last few days, a Christmas celebration for more than 100 children from the slums took place. We were able to donate a sum towards the costs of presents and food.

Albania, Kenya, Uganda, Mosambique

We continue to remain in personal contact with organisations in these countries. Donations were earmarked and passed on directly to those responsible; we could therefore do good for many needy children..

News from the "Lebenshilfe Foundation"

Our unique characteristic is still valid in 2013!

Every Euro is passed on 100% to the needy.

Due to the personal contributions of our family members we can manage all the work alone..

Children continue to need your support!
