

# Foundation Kamm Lebenshilfe for children living in poverty

January 2014

## Our motivation:

**Let us not become weary in doing good.** (Galater 6,9)

## The Philippines - Child poverty – Catastrophe aid

The "House of Hope" is almost ready to commence operation. The monies necessary for equipment have been transferred. Very soon, "thrown-away babies" from the area around the closed-down rubbish dump in Manila can be taken in.

In the **catastrophe region**, further aid is being provided by Carsten Aust and his team. They are helping to build housing for large families.

We will continue to financially support this.

## Deutschland

A focus of attention was and is the provision of clothing, bed and bath linen, shoes, furniture and even school satchels for the **children of the food bank customers** (Tafelladen). The local newspaper [Winnender Zeitung](http://www.winnender-zeitung.de) wrote an article about this ([http://www.rmk-stiftung.de/winnender\\_zeitung\\_kammstiftung\\_tafelladen.pdf](http://www.rmk-stiftung.de/winnender_zeitung_kammstiftung_tafelladen.pdf)). We wish to thank Mrs Bauer and Mr Hammer for their never-tiring commitment.

Thanks to the donation by Professor Klaus Fischer, we could further support the work of the „Eigen-Sinn“ in **Freudenstadt**. In 2014, this work by Mr Haist will continue to be supported. With the help of advice and deeds, stranded children and young people are being prepared and successfully supported on the way to a meaningful life..

## Mozambique

The work of the missionary family, Kirner, was supported. There, people are helped to help themselves with great success.

## Uganda Children's Hospital in Lira

We were able to continue supporting the **missionary hospital in Lira**. Although the missionary family, Göhner, has returned to Germany, these founders of the clinic are still responsible for the finances. At the moment we are considering how we might support a vocational college in North Uganda.

## Albania und Romania

We continue to support the Amaro Tan School in **Albania**, where over 100 children from needy families receive tuition.

In **Romania** we again supported the Christmas campaign of the „Hilfswerks Hoffnung“ in Rudersberg.

## Please help us!

Thank you for your support! The challenges are rising. We will continue to invest our efforts to help the poorest of the poor, and we thank everyone who supports us in this.

**Your donations will again, in 2014, be passed on in full without any deductions whatsoever to the needy!**
