

Our motivation:

Let us not become weary in doing good. (Galatians 6 v 9)

The Philippines – Child Poverty

We have received news that a 3 year-old boy, Amil, could not, unfortunately, be saved and has passed away. He had been found starving and half-dead on a rubbish-dump and was being treated in hospital (we will not post photos of this).

In other respects, the aid here is headed in the right direction. After one year in operation, the maximum capacity (20 orphans) has been reached. In order to cover further demand, the construction of an annex has already begun.

An **isolation-ward** for seriously ill children is being planned in this building. We have already transferred 10.000€ to partially cover the costs of this extension. A further 15.000€ is necessary to complete the annex!

We are asking for further support so that this extension can be completed soon and many more children living on the dump can be accommodated in the children's home and experience humane care.

Germany, Romania, Albania

Germany

Thanks to the active help of the leaders of the „Winnender Tafel“, we are able to continue to support socially-deprived children in the district of Rems-Murr. Warm clothes is the main demand here.

Romania

This year we will further support the organisation „Hands of Hope“.

Albania

We will continue to support the Amaro Tan School, to ensure that marginalised groups get the chance of education.

Foundation Lebenshilfe – Annual report 2014

The past year was our best one yet! We were able to pass on almost **100.000€ of direct aid to alleviate child poverty**. 70% of this came from donations.

Our foundation has no running costs, meaning that every single donated Euro **reaches the needy directly without any deductions whatsoever**. This must surely be a unique characteristic in Germany!

Further help is needed!

Without your donations, all this would not be possible.

We thank everybody who helps us in this process!
